About Me

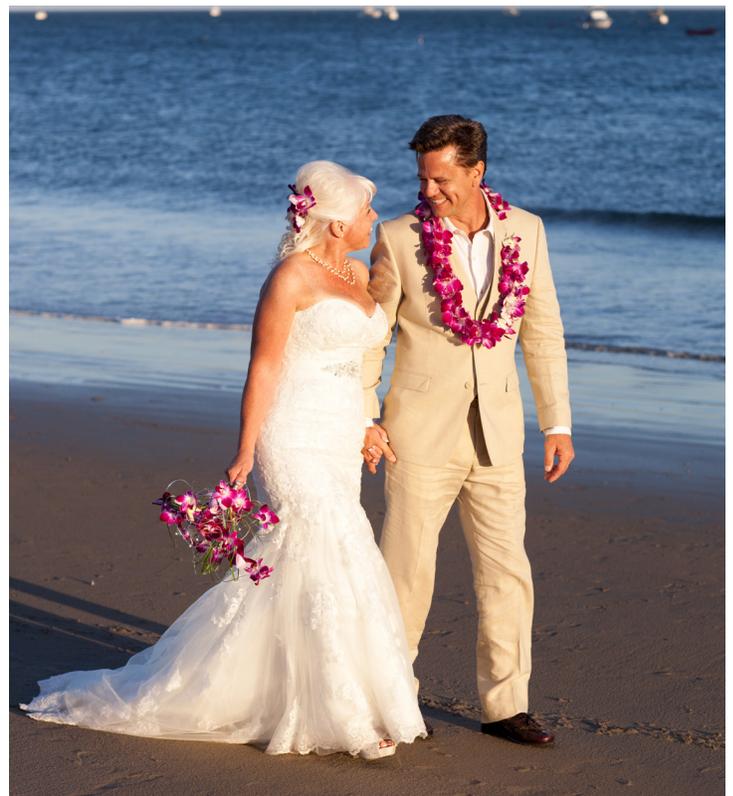

Hello! Thank you for considering Heather Hamer Photography for your special day! I've been photographing weddings in the Central Coast of California since 2008. My husband Phil and I usually work as a team at weddings. We have it down to a fine art and absolutely love it!

My style is fashion forward, modern, and glamorous. For weddings I combine this style with photojournalism to tell the story of your day. One of my specialties is photographing brides and grooms in a flattering way (the camera doesn't always have to add 10 pounds!). I want you to look your very best. You will be proud of your wedding photos for the rest of your long happily married life!

When I'm not busy on photo shoots I enjoy hiking with my dog, exploring new places to eat and taste wine, and playing on the beach with my children.

Book your wedding early!
My calendar fills up quickly and it
breaks my heart to turn people away!
